At Little Blessings Nursery School we believe

Children are precious gifts from God

Children's play is fundamental to their growth & development

Children need experience in making choices

Children are active participants in their own learning

Children teach each other

Children flourish in an environment based on trust

Each child's growth & development occurs at a unique and individual rate which may not be related to chronological age

If You Are Looking For A Program That Encourages Your Child To Begin:

Learning about God's Love

Feeling safe & secure without you

Making choices & recognizing limits

Meeting new playmates & forming friendships

Fostering imagination through playing pretend

Learning about taking turns & sharing

Taking pride in "I did it myself" moments

We Are Ready
To Provide
Your Children
With A Professionally
Staffed School:

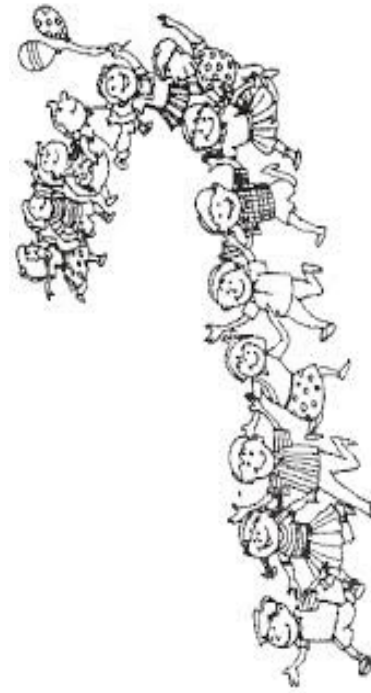

Who have a passion for
sharing God's love

Knowledge about early
childhood growth &
development

Committed to getting
to know you & your
child

That Adapts to your
child's individual
learning style

Devoted to teaching,
nurturing & loving all
children
